## WILKES ART GALLERY

The Wilkes Art Gallery's mission is to make the diversity, creativity, and critical thinking found in the visual arts more accessible to the community by providing opportunities to experience the visual arts in a dynamic, meaningful and personal way. They believe that art enriches the community and the lives of Wilkes' residents through experiences that are both educational and therapeutic. "WAG" is a non-profit organization.

## WILKES COUNTY QUILTERS QUILD

The Wilkes County Quilters Guild was formed in 1998 by a group of 18 women who were wanting to provide a forum to foster knowledge, diversified expression and the creation of an art form. The Guild's mission is to preserve the heritage of quilting, become a source of information for quilters, encourage excellence in quilting and related arts, support community service activities, and be a source of fellowship to people with a common interest.

The Wilkes Barn Quilt Trail was created by the Cultural Arts Council of Wilkes. The mission of the Cultural Arts Council of Wilkes is to foster, promote and increase art awareness of the literary, performing and visual arts in Wilkes county and surrounding areas.
